## Current & Potential Level

Yosuke Ideguchi is a 21-year-old Japanese deep-lying playmaker who currently plays for Gamba Osaka in the J1 League. He is also a member of the national football team of Japan.

Ideguchi is an intelligent playmaker who reads the game very well. He has an excellent vision, great passing skills on both short and long distances and make good decisions most of the time.

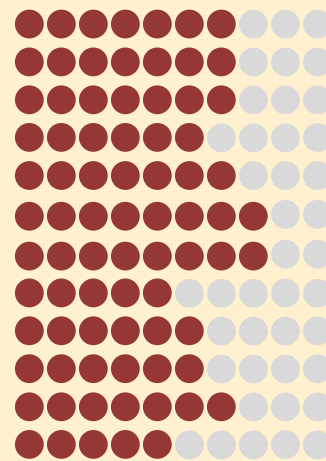

Ideguchi is not the physical strongest person, but due to his intelligence he is able to play out of direct duels with his opponent. He should gain more strength so succeed in Europe.

There is no doubt in my mind that Ideguchi is ready for a move to Europe in the upcoming transfer period. He will probably need some time to adapt to the physical style of play in Europe. I believe the German Bundesliga will suit his profile well.
