Current & Potential Level

Miroslav Bogosavac is a 21-year-old left-back who currently plays for FK Cukaricki in Serbia. He also represents the National Football Team U21 of Serbia.

Bogosavac has a solid technique, which allows him to play possibly as a left midfielder as well. He has a good vision on the game, anticipates well and has quick reactions.

His passing skills also score high rates, especially on long distances. He has decent ratings on his defending duels. His tackling is solid, but he could improve in his marking.

I believe Bogosavac could be ready next season for a transfer to a higher rated European league. I reckon an ambitious team in the Belgian Jupiler Pro League would suit him well.
